

If you are in love
and you find that you do not have enough time,
you are welcome here.

If you are busy
and you know too many things to do,
you are welcome here.

If you love too many girls
and you see life is too short to choose,
you are welcome here.

If you hear many voices
and you wish you could listen to all of them
you are welcome here.

If you can see millions of books
and wish to have read them all,
you are welcome here.

If you hear the songs
and wish you could remember them all,
you are welcome here.

If you have stories to tell
and have only twelve days in your week,
you are welcome here.

If you have maps and countries in your mind
and you are glued into your life,
you are welcome here.

If you are loyal to your friends
and you can only see them on the phone,
you are welcome here.

If the menu is too large
and the beaches far away
and there are too many beauties
and too many hugs to give
and too many concerts to see
and too many children to squeeze
and you cannot cut yourself up into pieces so that you can experience it all,
